The Namibia Evangelical Theological Seminary (NETS) is committed to equip believers in Namibia with the knowledge, skills and character required to serve God, the church and the world. As a multid denominational and multicultural institution, we are delighted to be able to serve a wide variety of churches through our Distance Program

### NETS DISTANCE

The NETS Distance Program includes two parts:

- NETS Discipleship Certificate (NDC) – unaccredited (five books)
- NETS Certificate in Christian Ministry (CCM) – accredited level 3 (twenty NBI books)

#### Details NETS Discipleship Certificate

The NETS Discipleship Certificate (NDC) program consists of five topics covered in five books (provided by the Nehemiah Bible Institute in SA). The topics are:

- Book A – Build your spiritual life
- Book B – Learning to pray
- Book C – The church is alive and growing
- Book D – Called to be stewards
- Book E – Living in a world of spirits

Each book is tested through an open book test. Those who complete the program receive an unaccredited NETS Discipleship Certificate. After this, it is possible to continue in the Certificate in Christian Ministry (accredited, level 3) program which consist of 20 more topics.

**Costs** for the discipleship program: 150 NAD registration fee plus five times 170 NAD for each book = total of 1000 NAD per student (fees 2026)

For **enrolment** into the Discipleship Certificate, students are required to fill in the registration form and hand in a copy of their ID.

Students are required to be part of what we call a **Learning Community (LC)**. LC's meet regularly and are guided by a volunteer **facilitator** who is theologically qualified. Please note that this is not a paid position, but an opportunity to equip others in the body of Christ for the health and growth of the local church. NETS will discuss with the Learning Community who can guide it as a facilitator.

Please do not hesitate to **contact** Distance Coordinator Rev. Joram Oudshoorn for any clarifications.
